**File No.3072/A3/2018 Dated 02.07.2022**

**Dear Madam,**

**Subject:** School Education-Madurai District-Thirumangalam Education District- Madurai  
Arayindar Nagar, Queen Mira International, School -Seeking recognition under Central Board of  
Education-Additional Details Submissions regarding.

**Attention/Ref:**4. Madurai chief educational officer action Copy: No:10862/3/2019 Date:05/08/2021

5. Respective School Correspondent's letter dated 24/08/2021 and 29/10/2021

6.Chief Education Officer, Madurai's action Copy:No:10886/E3/2018

With reference to the above letters, District Education Office, Thirumangalam, has asked for additional details with respect to the application for recognition. In this connection, additional details have been received through a communication from the Correspondent.

1.It is mentioned that the school has G+3 in the building stability certificate. As per Justice Sampath committee's report, only G+2 is permissible for educational institutions. The third floor was asked to be closed with concrete and photo evidences were sought. Quoting G.O.No.18 dated 02/2019, the school has replied that the permissible height of the building for educational institutions is 18.30 metres and the height of their school building is 14.9 metres only. Additionally, the Correspondent has mentioned that the school has received due recognition and has furnished documents in this regard.

2.The Correspondent has also attached the certificate of approval issued by the Chief Educational Officer for having a wading pool on the premises. The Chief Educational Officer has inspected the pool and
